### Public agency

Established by Republic of Slovenia

**Strategy and Mission:**

- To enhance the security of legal transactions and contribute to a transparent business environment
- To contribute to reducing the administrative burden for the economy and promote e-commerce by electronically receiving and sharing information
- To cooperate with institutions for a better legal and institutional framework
Activities of AJPES:

Public activities:
• Registering (VEM), Maintaining registers (SBR) and data records
• Collecting, processing and publication of annual reports of business entities (AR)
• Carrying out statistical research (STAT)

Economic activities:
• Compiling credit standing reports (BON)
• Coordination of multilateral set-off of liabilities and receivables (POBOT)
